OUR PROMISES

MENU PRICING

We know what you're thinking! Why is the menu oddly priced? Our Hotel prices its produce according to movements in the Produce and Beef Markets. So it makes sense for us to base our prices on these and similar markets to deliver the best value and fairest prices to you.

We have a straightforward formula that converts wholesale prices into restaurant prices and publish these straight to our menu. So if these formulas say a restaurant steak should be \$29.37, then that is what it is on the menu!

PARMY PERFECTION

We 'schnityounot! Our schnitzels are simply the best. How do we know this? Well, people say our schnitzels are cooked to 'schnittfection'.

Let's start with our slow-cooked Napoli sauce, made with fresh, full-flavoured tomatoes from the motherland. Combine these with the freshest garlic, olive oil, basil and oregano, and you've got the best bloody sauce in town!

And don't get us started with the secret cheese topping... perfectly melted and caramelised for you.

QUALITY STEAK SELECTION

We work with one of Australia's leading beef suppliers, JBS and their brand Beef City Black to bring only the finest steaks direct to you.

With over 40 years experience, JBS sources beef from only the highest quality local farms throughout Queensland. Fed on a specially formulated grain ration, Beef City Black consistently delivers a well-marbled product, celebrated for its tenderness, juiciness and flavour. We are proud to be supporting regional farmers and local industry!
